

**CITY OF BUENA PARK  
MEMBER OF THE CITY COUNCIL**

**JIM DOW**

**OCCUPATION:** Business Owner/Councilman

I've been privileged to serve as your City Councilman and Mayor. As a lifetime resident of Buena Park, a father, and small business owner, it has been an honor to "give back" to our community.

When I asked for your support in 2000, I committed to making Buena Park a better place for us to live, work, and raise our families.

Today we have new restaurants, Krikorian Theaters and new stores such as Kohl's and Wal-Mart. These facilities did not exist four years ago.

Property values have increased, new businesses have opened, and we've recently launched major beautification projects to improve the appearance of our streets and medians. Most importantly, we've maintained a balanced budget, despite facing significant funding cuts from the state—without raising taxes or compromising vital city services.

While we've seen tremendous improvements in our city, there is still much to do. With our new growth has come increased traffic congestion. Promoting economic development and ensuring public safety must remain priorities while continuing to ensure the quality of life for all of our residents from our children to our Seniors.

I thank you for your support over the past four years, and ask for your vote on November 2nd.
